SAMPLE CERTIFICATE

Student Testimonials

Santhosh Akula
Software developer

I had an excellent experience at Parinitha Technologies. The trainers were knowledgeable & trained me from basics, and the curriculum was well-structured and relevant to current industry standards. The hands-on training and real-world applications greatly enhanced my learning. I highly recommend this institute to anyone looking to advance their skills and career. Thank you for showing me a great path.

B SRIKANTH
Cybersecurity

I had got place at a package of 7lpa as an fresher. I took cybersecurity. All the trainers are providing the full and transparency and providing the good knowledge and has good guidance from their side

Shishira Ramesh
Full stack Engineer

I had a wonderful experience in this technology. 😊
The trainers are very good instructors here. They are also very good in explaining and clearing with our doubts.. so yea I had very good experience in parinitha technology.
